

At Summit Family Dental, we are happy to file your dental claims with your insurance company as a courtesy to our patients. Due to new government laws, all insurance companies have a disclaimer and states upon our verification “THIS IS NOT A GUARANTEE OF BENEFITS.”

The accuracy of the dental insurance estimate of benefits is dictated and based on the information we are given by your insurance company.

We strive to make our estimates as accurate as possible; however, they are not guarantees. Patients should understand that they are responsible for any amounts not covered once all insurance claims are completed.

Thank you,
Dr. Cashion & staff
